

PURPLE LIGHT NIGHTS

THANK YOU TO THE COMMUNITY OF HOPE

The organizing Committee of the Purple Light Nights would like to thank the following organizations and individuals for their contribution towards making this year's Purple Light Nights a success. Our goal was to raise awareness on the issue of Domestic Violence and encourage the community to become more involved. Our tree in the centre of town is a shining example of what we can do. A heartfelt thank you to all those involved both mentioned and all the other volunteers who helped to make this a success.

On October 30th (tonight) there is a forum in Chilliwack to wrap-up the events of Purple Light Nights. B.C. Lions player JR LaRose will be present to speak about the "Be More than a Bystander" program. It encourages all of us to break the silence on violence against women and become involved. The event will be held at Chilliwack City Hall from 7-8 pm. Doors open at 6:30pm. Everyone is encouraged to attend.
